

Kelly Brinkley

As a senior next fall, Kelly Brinkley will continue her studies in Mechanical Engineering and Physics at the University of Denver. Along with taking classes, she will also be researching co-extrusion techniques for gene therapy in the biomechanic fluids lab. Upon completing her Bachelor's, Kelly plans to attend graduate school to earn a Master's degree and possibly a doctorate. Originally from Monument, Colorado, Kelly enjoys hiking, running, traveling, watching movies, craft projects, cooking, and reading.

Kai Yu

Kai Yu will be senior pursuing a B.S. and M.S. in Electrical Engineering at Stanford University this coming Fall. His specialty is computer hardware, and he enjoys tinkering with his desktop and playing computer games. Although he is from San Jose, he was born in Texas and fervently supports Texas sport teams. He enjoys both watching and participating in any sport that involves lots of running.

Steve Halman
